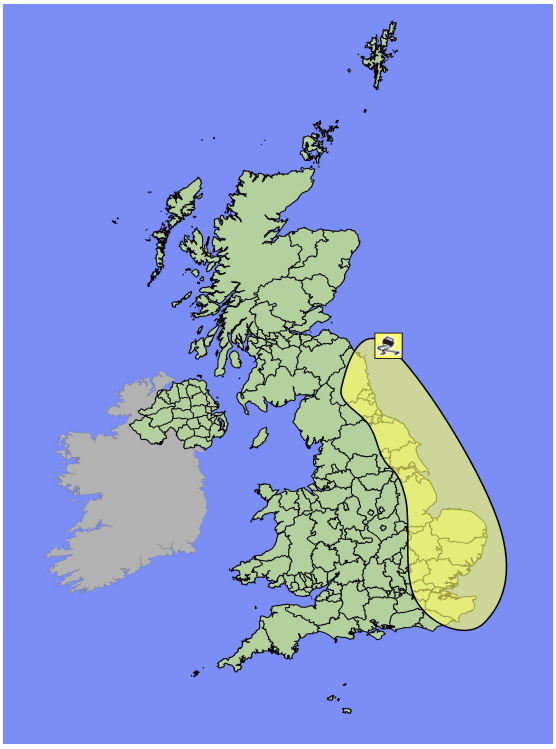
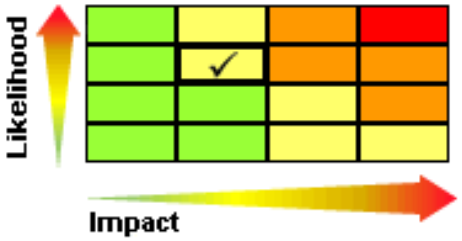
National Severe Weather Warning Service





Chief Forecasters Assessment
Sleet or snow showers affecting many eastern coasts this evening may spread inland at times. The showers will die out overnight followed by clearing skies.

The Met Office have issued a **Yellow Warning** of **Ice**

Valid from **17:00 on Wed, 05th Dec 2012** until **11:00 on Thu, 06th Dec 2012**

Sleet or snow showers during the rest of today and into this evening will leave surfaces wet, and prone to freezing as skies clear and temperatures fall. A further centimetre or two of snow could accumulate in some eastern areas. The public should be aware of the potential for increased iciness and possible disruption to travel.
